Prospect Steel | Graduates

These employees have successfully completed the 80hr welder training offered to Prospect Steel new hires and have each obtained certification as skilled craftsmen.

The training consists of:

- Becoming familiar with welding equipment and setup
- Utilizing the welding process of FCAW 1/16 filler metal
- Learning to weld single and multi-pass fillet welds
- Learning self-inspection with fillet weld gauges and temperature sticks
- Becoming proficient with the cutting processes of Carbon arc cutting/ gouging
- Learning to use company (WPS) Welding Procedure Specification
- Successfully passing in-house shop welding test (full penetration T-plate)
- Successfully passing AWS 2G guided bend test to become class C welders

From left to right: Noah Hudspeth, Adam Wilson, Corey Hampton (trainer), Tiarius Maiden.

Congratulations, guys!

Golf Industry Show

Last week Heritage Links participated in the Golf Industry Show (GIS) in Orlando, FL. With hundreds of exhibitors spanning thousands of square feet of exhibit space, the GIS trade show gives superintendents, golf course builders, technicians and other golf facility professionals the opportunity to network and discuss the latest products and services in turf and facility care.

The show floor also includes special features such as Inside the Shop, presentations from GCSAA TV, free education on the show floor, the New Product Showcase, drone education with hands-on flight simulation, and golf course dog demonstrations.

Miss Sylvan Hills

Congratulations to 2020 Miss Sylvan Hills, Jamie Fleenor! Ronnie Langston (cost control estimator in Little Rock) is proud of his daughter's win this past weekend. She not only received the title of "Miss Sylvan Hills," but was also awarded "Best Dress."

"She gets her good looks and athletic ability from her dad." - Ronnie Langston

Safety First
